Premium Quality Chairs for Every Space

Welcome to Chairforce's extensive collection of premium chairs, where quality meets functionality across every category. Whether you're furnishing a commercial space, home office, dining room, or outdoor area, our curated selection of 482+ chair models ensures you'll find the perfect seating solution.

Commercial-Grade Quality You Can Trust

All our chairs meet or exceed EN certification standards, ensuring they're built to withstand daily use in demanding commercial environments. From busy restaurants and cafés to corporate offices and educational facilities, our furniture is designed for longevity and performance.

Wide Range of Styles and Materials

Choose from modern minimalist designs, classic traditional styles, industrial aesthetics, and everything in between. Our chairs are crafted from premium materials including solid timber, commercial-grade metal, weather-resistant plastics, and luxurious upholstery fabrics.

Indoor and Outdoor Options

Browse our extensive indoor collection featuring dining chairs, office chairs, lounge seating, and task chairs. For outdoor spaces, explore our weather-resistant range including UV-protected materials, rust-resistant frames, and easy-clean surfaces perfect for Australian conditions.

Fast Australia-Wide Delivery

With large inventory levels and same-day dispatch on orders placed before 2pm, we ensure your chairs arrive quickly. Free pickup is available from all our showrooms in Sydney, Melbourne, Brisbane, Perth, and Adelaide.

Commercial-grade chairs, tables & stools — supplied with military efficiency without sky-high prices.
